

## **Procedures Oversight Designee (POD)**

TIU committees of the eligible faculty and college P&T committees select one of their members as the POD. The chair of the committee cannot also serve as POD. However, although a single committee member is assigned oversight responsibility, all members of review bodies must accept personal responsibility for assuring that reviews are procedurally correct, fair, and free of bias for all faculty members. Review bodies, not the POD, are ultimately responsible for the integrity of the review process.
