The Ohio State University

October, 2017

College Credit Plus

College Credit Plus replaced Post Secondary Enrollment Options Program in autumn 2015.

- Open to qualified students in grades 7 – 12
- Dual Enrollment – students earn both high school and college credit
- Emphasis on student choice
 - K-12 school must allow students to participate if they are admitted to a college or university
 - Students must be treated the same as degree seeking students
- Free of charge to student and family
 - High Schools cover costs of tuition (reduced) and books
 - Colleges accept lowered tuition and waive all fees

Statewide Data –
