Faculty FIT Program

Maria Pruchnicki, PharmD
Associate Professor of Clinical Pharmacy
UITL Faculty Fellow, Instructional Support

Mary Jo Fresch, PhD
Professor Emerita,
Education and Human Ecology
UITL Faculty Fellow, Mentoring
New Faculty Goals

- Understand institutional context for teaching
- Develop familiarity with diverse students
- Connect to a multi-disciplinary teaching community
- Reflect about teaching
- Understand the range of tools/support available to enhance teaching
- Foster student learning with evidence-based practice
- Document teaching, demonstrate self-efficacy in teaching
- Take a scholarly approach to teaching
Faculty FIT Program

Where are you on your path?

“What we learned in talking to various groups is that there are highly individualized needs. We have lots of services and resources, but what people need is an individualized plan.”

-- Jennifer Evans Cowley
Faculty FIT Synopsis

Professional Learning

Mentoring

- Experienced Faculty
- Cross-Disciplinary Cohorts

2018-2019 Faculty FIT Events

August Kickoff
May Celebration
Mentors Help You

Connect to the Ohio State’s community of teachers

Understand the institutional context for teaching

Develop familiarity with our diverse student population
Details

- Facilitated by an experienced faculty member, with cohorts of 3-4 new faculty meeting monthly
- Mentors are a resource for questions, concerns, and issues related to teaching and learning
- Supplemental to unit or departmental mentoring
“I think the ideal mentor experience is transformative to both mentor and mentee, helping both to grow professionally and personally.”

-- Ann Christy (2016-2017 Mentor)
