Dear Katie,

Please find attached three informational items from the College of Education and Human Ecology. They are supported for adding to a CAA agenda.

Please let me know if any questions or concerns arise.

Best, Lisa

Pete Locascio
Executive Director of Undergraduate Education
EHE Office of Undergraduate Education

Dear Pete:

I am writing to express my support for the proposed updates to curricular program sheets, effective Spring 2026:

KNPE 5795 Sociocultural Issues in Sport, Recreation and Physical Education (3cr)

Update: KINESIO-MS (HEN, PSN, PEN)

Change course title to "Sociocultural Topics in Sport" in all three specializations

Update: KINESIO-PH (PSN)

Change course title to "Sociocultural Topics in Sport" in Sport Pedagogy specialization

Rationale: Melissa Wiser was tasked with the responsibility of revising *language* in the course title, description, and learning objectives in alignment with SB1, the discontinuation of the Physical Education program, and revisions to the Kinesiology Master's and Doctoral degree programs.

Attached you will find the necessary documentation outlining proposal details. Review of and approval from the Kinesiology faculty and both, the Department of Human Sciences Graduate Studies Chair Committees has been obtained. There are no negative budgetary implications and no additional funds or human resources necessary for the execution of these requests. If you have any questions or need additional information, do not hesitate to contact me.

Sincerely,

Sue Sutherland, PhD
