Dear Curriculum Committee Members,

I have reviewed the documents submitted regarding adding **ESPHE 3410 (Philosophy of Education)** as a pre-major course at both P-5 and MC levels. The addition would allow students more options regarding pre-major courses and the course can also overlap with GE Historical & Cultural Studies.

The additional will not have credit hour increases to the program and only provides a course option for students. The proposal has been approved by T&L's Undergraduate Studies Committee and has the approval of Educational Studies.

Please let me know if you have any questions.

Sincerely,

Binaya Subedi
