Assistant Dean, Curriculum College of Arts and Sciences 114F University Hall, 230 North Oval Mall. Columbus, OH 43210

Dear Bernadette,

I write to inform you that the Department of Philosophy has recently voted to amend several of the requirements for our Minor and Major. We would like to make the following changes:

- Philosophy 2367 will now count toward both the Minor and the Major
- Philosophy 3260 will now count toward the history of philosophy requirement for the Major
- Philosophy 3420 and 3440 will now count toward the topics in philosophy requirement for the Major

The current major program requirements for the BA in Philosophy are:

- 1. Philosophy 1500, 1501, or 2500 (prerequisite)
- 2. Philosophy 3000
- 3. Two of: Philosophy 3210, 3220, 3230, 3240, 3250, 3261
- 4. Two of: Philosophy 3300, 3530, 3600, 3650, 3700, 3750, 3800, 3810
- 5. Five Philosophy electives
 - a. One at 2000 level or higher
 - b. Two at 3000 level or higher
 - c. Two at 5000 level or higher

All courses are 3 credits. Total credits = 33 (including prerequisite)

The revised major program requirements for the BA in Philosophy will be:

- 1. Philosophy 1500, 1501, or 2500 (prerequisite)
- 2. Philosophy 3000
- 3. Two of: Philosophy 3210, 3220, 3230, 3240, 3250, 3260, 3261
- 4. Two of: Philosophy 3300, 3420, 3440, 3530, 3600, 3650, 3700, 3750, 3800, 3810
- 5. Five Philosophy electives
 - a. One at 2000 level or higher
 - b. Two at 3000 level or higher
 - c. Two at 5000 level or higher

All courses are 3 credits. Total credits = 33 (including prerequisite)

The addition of "Contemporary Social and Moral Problems" (Philos 2367) to both the Minor and the Major reflects our desire to update our program to be in accord with other Departments. (It is not entirely clear to me why this course has been excluded from our program until now; I can provide more detail about my understanding of this, as needed.)

The addition of "Movements in 20th century Philosophy" (Philos 3260) to the list of courses that satisfy the history of philosophy requirement reflects the fact that we now consider the twentieth century to be a period of historical relevance to contemporary philosophy.

The addition of "Philosophical Perspectives on Issues of Gender" (Philos 3420) and "Theorizing Race" (Philos 3440) to the list of courses that satisfy the topics in philosophy requirement reflects changes in the core discipline of philosophy, as well as the changing needs of our students.

Please let me know when these changes have been approved and I will follow up with the Registrar to make sure that the Degree Audit is programmed accordingly.

Thank you for your attention to this matter.

Sincerely,

Lisa Shabel

Director of Undegraduate Studies and Associate Professor of Philosophy
