RE: INFORMATIONAL ITEM: **h Education BS program**, Department of Teaching and Learning . Please find materials included in this proposal related to a small-scale revision.

The department proposes:

- Adding ESPHE 3410 as an option within the Pre-Major Requirement: ESPHE 3206 or ESPHE 4280 or ESPHE 3410

These changes account for roughly 0% of change and do not add any additional credit hours to the curriculum. This was approved by the EHE Curriculum Committee on April 17, 2025.

If there are any questions, please contact me at Locascio.7@osu.edu

Dear Curriculum Committee Members,

I have reviewed the documents submitted regarding adding **ESPHE 3410 (Philosophy of Education)** as a pre-major course at both P-5 and MC levels. The addition would allow students more options regarding pre-major courses and the course can also overlap with GE Historical & Cultural Studies.

The additional will not have credit hour increases to the program and only provides a course option for students. The proposal has been approved by T&L's Undergraduate Studies Committee and has the approval of Educational Studies.

Please let me know if you have any questions.

Sincerely,

Binaya Subedi
