Dr. W. Randy Smith, PhD
Vice Provost for Academic Programs
The Ohio State University

Dear Vice Provost Smith,

I am writing on behalf of the College of Education and Human Ecology's (EHE) Office of Academic Affairs. EHE supports the recent curricular change that was approved by the EHE Curriculum Committee on March 26, 2026:

- Deactivation of the Bachelor of Science in Technical Education and Training

This change is required by the Ohio Department of Higher Education due to low enrollment in the program and fewer than 5 graduates per year over the past 3 years.

Sincerely yours,

Anastasia R. Snyder, PhD
Associate Dean for Faculty Affairs
College of Education and Human Ecology
