To: Randy Smith, Vice Provost for Academic Programs, Office of Academic Affairs
From: Cory Matyas, Assistant Dean for Curriculum and Assessment
Date: September 22, 2026

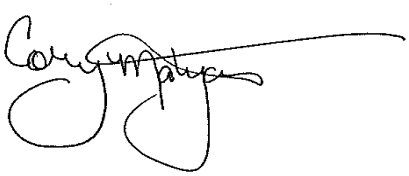

---

The Bachelor of Science in Engineering Technology would like to allow Statistics 3470 as an alternative to Statistics 3440 in their program.

The program requests that this update is effective immediately.

The Engineering College Committee on Academic Affairs met on September 22, 2026 and reviewed this proposal as an informational item. There were no questions or concerns and a College-level record of support for this proposal was created.

Please find details attached.

TO: Shannon Morrison, Chair of CoE CCAA

FROM: Sandy Furterer, CoE BSET Curriculum Director

DATE: 9/17/2026

SUBJECT: BSET Program Change

Dear Shannon,

The BSET Curriculum Development and Assessment Committee (CDAC) has approved the following Bachelor of Science in Engineering Technology (BSET) Program Change, that we'd like to have CCAA review.

Allow both Stats 3440 and 3470 as requirements in our program. Currently we only allow Stats 3440 as a requirement in our program.

We will also be adding Stats 3470 or Stats 3440 as pre-requisites for ENGRTEC 4250.

Sandy Furterer
