

Promotion and Tenure/Promotion Dossier Checklist

CANDIDATE

(Print name)

Research Required Presentation

- Authors in *Item 1* are listed:
 - in the order in which they appear on each publication.
 - in the standard citation style for my discipline or in bibliography or author/date format provided by the approved OAA electronic dossier.
- Multiple authorship in *Items 1a–1e* for jointly authored papers, in *Item 2* for creative works, in *Item 5* for research funding, includes:
 - narrative description of my intellectual contribution.
 - percent of contribution to the funding application, not percent effort or salary release.

I have followed the examples of narrative description provided in the current Dossier Outline per Volume 3 of the OAA Policies and Procedures Handbook. I understand that statements such as "all authors contributed equally" or "50% effort" do NOT constitute adequate narrative description of intellectual contribution.

Student Evaluation of Teaching Required Documentation

- SEI or other fixed-response survey data included for every course taught since start date or date of last promotion whichever is more recent.
- Correctly placed in dossier Section IV (see Dossier Outline in Section 4.1 of the OAA Policies and Procedures Handbook).

I have prepared my dossier in accordance with the *Current Dossier Outline*, and it fulfills all requirements, with special attention to those noted above. If my start date is August 2018 or later, I used Vita.

I understand that the review process cannot commence until I have submitted a correctly prepared dossier, and that if substantive errors or omissions are discovered at any stage of the process, the dossier may be returned to me for revision.

TIU-LEVEL REVIEW

Internal Evaluation

- APT document year _____ is attached to be used in the review (only if the current APT document is not being used)
- Annual reviews as required by the Dossier Outline are included in Part III.A. If the set of annual review letters is incomplete, a written explanation is provided.
 - Candidates for tenure and promotion or tenure—all annual review letters (including 4th Year Review) since start date.
 - All other candidates—all annual review letters since last Ohio State promotion or year of hire with tenure, not to exceed the most recent 5 years.
- Documentation of peer evaluation of teaching (letters, reports, etc.) as required by the unit's APT document is included in Part III.A.
 - Number of evaluations required as stated in APT Document: _____
 - Number of evaluations submitted: _____
- Open-ended discursive evaluations, if collected, summarized and included in Part IV.C. Candidates for promotion and tenure should include all courses taught; candidates for promotion should only provide most recent 5 years (e.g., SEI comments from students).

External Evaluation

- At least five external letters (where required) included in Part III.B.
 - No more than one-half from persons suggested by the candidate.
 - None from former PhD or post-doc advisors; collaborators; or those who otherwise have a relationship with the candidate that could reasonably interfere with objective evaluation.
- External evaluators summary sheet
 - Completed summary sheet (Form 114) for external reviewers who agreed to evaluate candidates: All persons who were requested to write and agreed are listed: Reviewer's name; institution; title/rank; suggested by; and relationship to candidate.
- External evaluator cover page
 - A cover page (Form 106) precedes every letter received.
 - Do NOT include a cover page for evaluators from whom no letter was received.
 - Every item on the cover page is filled out and includes sufficient information to establish the evaluator's:
 - Credibility.
 - Relationship with candidate

This review was based on performance and was free of bias against underrepresented groups. The tenure initiating unit (TIU) level review of this candidate was conducted in full accordance with the unit's Appointments, Promotion, and Tenure (APT) document, and the latter document was made available to the TIU deliberative body as part of the review.

All candidates were treated consistently during this year's review process. A written rationale for any apparent inconsistency* is provided when clear and defensible bases exist for such differences.

**Examples: When neither of two candidates for promotion to professor has advised doctoral students, but one is criticized on this point and the other is not. When neither of two candidates for promotion has a book in contract, but one is criticized on this point and the other is not.*

The report of the TIU deliberative body contains:

- Detailed assessment of the candidate's accomplishments, strengths, and weaknesses, and a report of and interpretation of TIU vote.
- Explanation of the expectations of the unit against which the candidate is being assessed.
- Otherwise the expectations of the unit must be explained in the letter by the TIU head or Regional Campus deliberative body or Regional Campus Dean.

The dossier fulfills all requirements stated in the *current Dossier Outline per Volume 3 of the OAA Policies and Procedures Handbook*, with special attention to the points noted above, including all those affirmed by the candidate.

It is particularly important to check for fulfillment of the requirement for narrative description of intellectual contribution to jointly offered papers and grants. Some candidates sign the checklist indicating that this requirement has been fulfilled when it has not, and the omission goes unnoticed by some Procedures Oversight Designees and other reviewers.

I verify the accuracy of all citations.

NUMERICAL VOTING RECORD IN THE TENURE INITIATING UNIT

The information below is required in the official record for every review, even when the vote is unanimously positive.

2	Eligible faculty on previously approved leave or excused because of a conflict of interest	
3	Eligible faculty members who are absent and unexcused	
4	Total faculty eligible to vote in the meeting discussing the case (line 1 minus line 2 minus line 3)	
5	Percentage of eligible faculty in the meeting discussing the case (convert line 4 to a percentage)	
6	Percentage of eligible faculty that must be exceeded for quorum (>66.7% for 2/3 rule or >50% for simple majority)	
7	Is quorum met (Is line 5 greater than line 6—mark Yes or No)	
8	Non-eligible faculty participating in the meeting (e.g., TIU head)	

Vote

1	Number of YES votes on this case	
2	Number of NO votes on this case	
3	Number of combined YES and NO votes on this case	
4	Percentage of YES votes from combined YES plus NO votes on this case	
5	Percentage YES votes required by the TIU's APT document for the eligible faculty's recommendation to be considered positive	
6	Number of eligible faculty attending the meeting abstaining (these votes are NOT counted in 3)	

Note: Abstentions are not counted as votes consistent with the Office of Academic Affairs' guidelines for APT documents and with Robert's Rules of Order.

I understand that if the tenure initiating unit reviews and forwards a dossier lacking key information and/or containing less than credible external evaluation, the review process may have to begin anew.
