Description:

This 1.5 hour in-person course introduces Nuventive.Improve (formerly TracDat), Ohio State's system for documenting and reporting student learning outcomes assessment information. This course is for faculty and staff who will use Improve to view or edit assessment plans and reports, upload documents, and run reports.

Attendees are encouraged to bring their laptop or tablet.

If you have questions concerning access, wish to request a sign language interpreter or accommodations for a disability please contact craft-morgan.1@osu.edu .
Early requests are encouraged; a week will generally allow us to provide seamless access.

Facilitators:

Sheila Craft-Morgan (craft-morgan.1@osu.edu)
Warren Flood (flood.13@osu.edu)
