Subject: FW: CS 241: request for concurrence (urgent)

Dear Naomi,

I have just spoken with our Chair, Eugene Holland, and he is very pleased to have Comparative Studies 241 included as an elective for the Korean major. On behalf of the department, we wish you much success with this exciting new program.

If you need a document signed by Professor Holland, please let us know and we will be happy to provide it.

Sincerely,
Marge

Dear Dr. Fukumori,

The Department of philosophy supports the proposal by the Department of East Asian Languages and Literatures to add Philosophy 215 as an elective requirement for a Korean major.

Best,

Don

Dear Prof. Hubin,

I am writing today to request the Dept. of Philosophy's concurrence to include "Philosophy 215: Asian Philosophy" as an option in the DEALL Korean major's elective requirements. A document showing where in the Korean major's requirements Philosophy 215 would be applied is attached to this e-mail.

I apologize for the suddenness and urgency of this request, but the Council on Academic Affairs (CAA) is meeting on Wednesday, Oct. 8, to discuss changes being proposed in DEALL's major programs, including the addition of Philosophy 215 to the Korean major "electives" category requirement. If I could receive your department's concurrence by e-mail before this Oct. 8 meeting, I would be grateful. Ms. Sophia Lee of the Curriculum and Assessment Office has told me that a short statement of concurrence (rather than the official concurrence form) would be sufficient. Please copy the statement of concurrence to Ms. Lee (lee.1307@osu.edu; this e-mail has been copied to her).

Thank you so much. Please do not hesitate to contact me if you have any concerns or questions about this request (614-291-0063 home; 614-783-9898 cell).

Sincerely,
Naomi Fukumori

The History of Art Department is in full support of the proposal to allow our course, HA 690.02, The Buddhist Art of Korea, to be counted as one of the electives in DEALL's Korean major. Please let me know if any additional information is required.

Sincerely,
