

## Memo

September 22, 2015

To: Randy Smith, Vice Provost of Academic Programs  
Katie Reed, Executive Assistant

CC: Andrew Zircher, Director of Assessment and Curriculum  
Sarah Odum, Curriculum Coordinator

From: Bryan Warnick, Associate Dean of Academic Affairs

**RE: ADDITION OF REGIONAL CAMPUSES AND CHANGE OF DELIVERY:  
COMPUTER/TECHNOLOGY ENDORSEMENT**

The faculty and administration of the College of Education and Human Ecology (EHE) approve of adding the Computer/Technology Endorsement on the Marion, Mansfield, Lima, and Newark campuses and for the endorsement to be deliverable 100% online from the Department of Educational Studies. The proposal was approved by the EHE Curriculum Committee and is supported by Educator Preparation.

Included with this request is the department's letter and the endorsement curriculum sheet. The Computer/Technology Endorsement consists of 4 graduate level courses, with a minimum of 12 credit hours required. EHE and Marion, Mansfield, Lima, and Newark campuses have entered into a cost sharing agreement MOU to allow for students to enroll through each campus. The MOU has been signed by all campuses and is in effect. Allowing for enrollment at Columbus, Marion, Mansfield, Lima, and Newark allows for local districts outside of Columbus to utilize school district fee waivers, which has not been possible previously.

EHE approves of adding the Computer/Technology Endorsement on the Marion, Mansfield, Lima, and Newark campuses and for the endorsement to be deliverable 100% online from the Department of Educational Studies. and requests approval from the Council on Academic Affairs. If there are any questions, please contact me at warnick.11@osu.edu or our curriculum coordinator, Sarah Odum, at odum.11@osu.edu.

March 24, 2015

Dr. Gene Folden, Chair  
Curriculum Committee  
College of EHE

Dear Gene:

The Department of Educational Studies is requesting that the Computer Technology Endorsement be made available on all campuses. We anticipate a demand from the regional campus students for this endorsement and because the courses can be taught online, offering the courses remotely can be accommodated. If you have any questions, please contact me; I am at your service.

Sincerely,

Joe Wheaton, Associate Chair  
Dept of Educational Studies

## **Computer/Technology**

### *Graduate Non-degree Endorsement Program*

---

Minimum hours: 12
