To: Randy Smith, Vice Provost of Academic Programs

CC: Andrew Zircher, Director of Assessment and Curriculum
Sarah Odum, Curriculum Coordinator

From: Bryan Warnick, Associate Dean of Academic Affairs

RE: DEACTIVATION: ADAPTED PHYSICAL EDUCATION ENDORSEMENT

The faculty and administration of the College of Education and Human Ecology (EHE) approve of deactivating the Adapted Physical Education Endorsement from the Department of Human Sciences. The proposal was approved by the EHE Curriculum Committee.

The attached documents include the department request letter and endorsement advising sheet.

EHE approves of deactivation the Adapted Physical Education endorsement form the Department of Human Sciences and requests approval from the Council on Academic Affairs. If there are any questions, please contact me at warnick.11@osu.edu or our curriculum coordinator, Sarah Odum, at odum.11@osu.edu.

Dear Sarah,

The faculty in the Kinesiology program area, in the Department of Human Sciences, have voted to deactivate the Adapted Physical Education endorsement due to consistently low enrollments. Deactivation would preferably be at the end of the Autumn Semester 2015.

I believe there are 1 or 2 students who are currently enrolled in the endorsement, both of whom should be finished by the end of Autumn Semester 2015.

Thank you,

H. Eugene Folden, Ph.D.

Endorsement in Adapted Physical Education (APE)

A person pursuing the State Approved Endorsement Program in APE must hold a K-12 teaching license in physical education. All Endorsement courses are at the graduate level. The APE Endorsement can be pursued on a part-time basis. Upon admission to the Endorsement Program a student in consultation with his/her advisor develops a program of study which is to be signed and dated upon program completion.

Minimum hours: 18
