Dear Randy and Katie,

Please find attached a proposal to revise the Bachelor of Music Education. The changes were approved by the ASC Curriculum Committee (ASCC) on Friday, November 1.

We are now advancing the proposal for review by CAA. The attached documents are (1) the actual proposal and (2) the Arts and Humanities 2 Panel cover letter to ASCC.

The contact person for this proposal is Jan Edwards.

Please use this email as a cover letter indicating that the proposal has been duly reviewed and approved by the appropriate ASC curricular bodies (including the full ASC Curriculum Committee).

Please let me know if you have any questions.

Best regards,
Bernadette

Associate Professor Alison Crocetta Chair, Arts and Sciences Curriculum Committee

Re: Approval of Proposed Changes to the Bachelor of Music Education degree program

Dear Alison,

At its meeting on Wednesday, October 16, the ASCC Arts \& Humanities Panel 2 unanimously approved the School of Music's request for changes to the Bachelor of Music Education (BME) degree program. The BME program is designed to prepare students to teach music in Ohio elementary and secondary schools; it meets Ohio licensure requirements and is accredited by the National Association of Schools of Music.

The changes seek to enhance elective course offerings in the program by introducing two new courses, Arranging for the Music Educator (Music 4665), and Literature for Vocal Music Education (Music 5765). These courses will make it possible for students to expand their competency to teach music literature and choral arranging in elementary and secondary school settings. In addition, the proposed changes convert to electives two courses (Music 4572 and Music 4579) that are currently required in the choral music specialization within the BME. This will make it easier for students in that specialization to choose courses appropriate to fulfillment of their professional goals.

Panel 2 originally approved these changes on November 15, 2017, contingent on minor corrections and clarifications. These were submitted on October 10, 2019, and Panel 2 now advances the proposal to the Arts and Sciences Curriculum Committee with a motion to approve.

| TO: | Dr. Randy Smith, Vice Provost of Academic Programs |
| :--- | :--- |
| FROM: | Jan Edwards, Associate Director and Chair of Undergraduate Studies, School of Music |
| SUBJECT: | Revision to a Previous Request for Changes to the Bachelor of Music Education Curriculum |

## Background and Purpose for the Revised Documents.

On Wednesday November 15, 2017, the Arts and Humanities 2 Panel of the ASC Curriculum Committee unanimously approved the School of Music's request for changes to the Bachelor of Music Education (BME) degree program. The 2017 proposal and current revision address specific courses in the BME degree specializations: choral, general, and instrumental music education.

Along with the Panel's approval were contingencies that are addressed in this document and in each of the following items.

1. The original proposal incorrectly referenced Music " 4775 " instead of the correct course number: Music 4665 . All previous references to Music " 4775 " have been removed in this revision and replaced with the correct course number: Music 4665.
2. In response to the Panel's concern that the course preparation titles in choral music education (Music 4574 and 4575) were not in alignment with similar preparations in instrumental music (Music 4576 and 4577) and general music education (Music 4579 and 4572), I now request title and catalogue description changes for the following choral music course preparations: Music 4574 and Music 4575.
a. Music 4574:
i. Change current title from "Teaching Choral Music I" to
ii. New title: Teaching Choral Music in Elementary and Middle Schools (syllabus attached).
iii. New Catalogue Description: A comprehensive review of choral music methods and rehearsal techniques for young learners.
b. Music 4575:
i. Change current title from, "Teaching Choral Music II" to
ii. NEW title: Teaching Choral Music in Secondary Schools
iii. NEW Catalogue Description: Choral music rehearsal methods, techniques, and strategies for developing choral ensembles in secondary schools.
c. Music 4579: Request small title edit.
i. Current title: "Teaching General Music in Elementary Schools II"
ii. Title edit: Teaching General Music in Elementary Schools (i.e., remove "II")
3. To address an additional Panel concern, the following revision emends the original document and it is directed toward a reviewer audience of music experts and non-experts.

## Revised Summary:

The Bachelor of Music in Education (BME) is one of several undergraduate degree programs offered in the School of Music and its purpose is to prepare teacher candidates for Ohio's multi-age music teacher licensure. On the completion of the BME degree program and Ohio's licensure requirements, the successful music teacher candidate is qualified to seek employment as a music teacher in Ohio's elementary, middle, and high schools.

The School of Music's BME and other degree programs are accredited by the National Association of Schools of Music (NASM) which requires the School of Music to adhere to a rigorous accreditation and review process every ten years. The Bachelor of Music Education (BME) degree program, directed by NASM's guidelines and Ohio's licensure requirements, is
designed to prepare candidates to teach and specialize in the following areas: choral music, general music, and instrumental music education for elementary and secondary learners. It should be noted that the program's latitude allows the BME major to specialize in one or more of area (i.e., choral, general, or instrumental music education) to meet their professional and personal goals as music teacher candidates.

## Rationale for the request.

The original proposal and its current revision seek to broaden the elective choices of the BME music teacher candidate and increase the candidate's preparation to teach music to all learners. To meet this need (also identified as a need in the 2008 NASM reviewers' comments), we request the following additions to the BME degree elective choices: Arranging for the Music Educator (Music 4665) and Literature for Vocal Music Education (Music 5765). The revised document also requests title and description changes to bring alignment to the choral and instrumental preparations (see item 2 in this document).

With the addition of Music 5765 as a new elective, the degree program now fills a long-standing void in the BME program's music repertoire and literature course electives. In other words, music teacher candidates will now have access to music repertoire and literature courses that increase the candidate's ability to teach appropriate literature for all ages in instrumental (band and string) and choral music settings. The addition of Music 4665 as a new elective (Arranging for the Music Educator) will provide BME candidates with experiences in arranging music in elementary and secondary choral, general, and instrumental music education settings.

A summary of the music elective choices that are available to all BME candidates, depending on their professional
goals as multi-age music teachers in general music, choral music, and instrumental music. goals as multi-age music teachers in general music, choral music, and instrumental music.

- Music 4665: Arranging for the Music Educator
- Music 5765: Literature for Vocal Music Education.
- Music 5663: School Orchestra
- Music 5664: School Wind Band

In the 2017 proposal, the School of Music also requested changes to two courses in the choral music specialization: Music 4572 (Teaching General Music in Secondary Schools) and 4579 (Teaching General Music in Elementary Schools. Specifically, the original proposal and current document request that Music 4572 and 4579 be changed from required to elective courses in the choral music specialization. The rationale for the request is twofold: the courses are currently available as electives in the instrumental specialization and the change to the choral music specialization will provide a parallel option for both specializations (i.e., instrumental and choral). Secondly, by expanding the choral and instrumental elective choices, the candidates will be able to choose an appropriate path towards their professional goal.

In essence, the choral music, instrumental music, and general music specializations will continue to require a minimum of two preparation courses in each specialized area and in addition, offer a broader selection of elective choices. The general music specialization will retain a third preparation in response to the general music specialist's responsibility to teach song literature to young singers. The third preparation in the general music specialization is Music 4574: Teaching Choral Music in Elementary and Middle Schools (title revision requested in item 2.a of this document).

A summary of the required methods course preparations:

## General music specialization:

- Music 4572, Teaching General Music in Secondary Schools,
- Music 4579, Fels H; Teaching General Music in Elementary Schools
- Music 4574, Teaching Choral Music I; Teaching Choral Music in Elementary and Middle Schools

## Choral music specialization:

- Music 4574, Tehing Choral Music I; Teaching Choral Music in Elementary and Middle Schools
- Music 4575, Teaching Choral Music IH, Teaching Choral Music in Secondary Schools

## Instrumental music specialization:

- Music 4576, Teaching Instrumental Music in Elementary and Middle Schools
- Music 4577, Teaching Instrumental Music in Secondary Schools

## Editorial changes noted in the curriculum sheets follow:

- Change the instrumental music elective choices from " $2-3$ " credits to " 2 -rredit" courses (the School of Music no longer offers 3 credit elective courses).
- Change the student teaching titles on the BME curriculum sheets to match the titles listed in Ohio State's Course Bulletin:
- Music 4586, change "Student Teaching," to Student Teaching in Music in Elementary Schools;
- Music 4587, change "Student Teaching," to Student Teaching in Music in Secondary Schools.

Feel free to contact me should you have any questions or concerns about the requests.
