December 20, 2023

To: Randy Smith, PhD  
Vice Provost for Academic Affairs

Dr. Maria Miriti  
Associate Dean of Academic Excellence

To be consistent with the recent changes from the University Office of Academic Affairs, as it is allowable to have 100% course overlap between an academic certificate and the individual program degree requirements, we proposed the following to our Graduate Studies Committee and College of Nursing Faculty:

1. Master of Healthcare Innovation (MHI): Allow for the graduate certificate Healthcare Leadership and Innovation to count towards the required the major courses (9-12 credit hours) for the program degree requirements.
2. Master of Clinical Research (MCR): Allow for the graduate certificate Clinical Research Management to count towards the required the major courses (12 credit hours) for the program degree requirements.

The proposal to approve course overlap was reviewed and received approval via the College of Nursing Graduate Studies Committee on December 7, 2023 (5 yes, 0 no) and a majority quorum of the eligible College of Nursing voting faculty (MCR: 95 yes, 2 no; MHI: 96 yes, 3 no) on December 12, 2023.

Sincerely,

Cindy Anderson, PhD, RN, APRN-CNP, ANEF, FAHA, FNAP, FAAN
