Francis,

The proposal from the Department of Teaching and Learning to revise the M.Ed. in World Language Education was approved by the Council on Academic Affairs at its meeting on March 20, 2024. Thank you for attending the meeting to respond to questions/comments.

No additional level of internal review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2024).

The Office of the University Registrar will work you with any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Fábio Leite (.11), or me.

Randy

RE: PROGRAM REVISION: MEd World Language Education, Department of Teaching and Learning

Please find materials for a program revision related to the MEd World Language Education program. The program wishes to add a course, EDUTL 5195.06, and remove a course, EDUTL 5505, to/from their requirements and move a course, EDUTL 5600, from summer to autumn semester. **This results in a total percent change of 15.79%** (6 credits-worth of courses vs. 38 total program credits). This was presented at the College of Education and Human Ecology Curriculum Committee meeting on December 14, 2023. If there are any questions, please contact me at [bagent.14@osu.edu](mailto:bagent.14@osu.edu).

Dear Vice Provost Smith,

I am writing on behalf of the College of Education and Human Ecology's (EHE) Office of Academic Affairs. EHE supports the recent curricular change that was approved by the EHE Curriculum Committee on December 14, 2023:

- Add EDUTL 5195.06
- Move EDUTL 5600 from summer to autumn offering
- Remove EDUTL 5505 from the curriculum

The proposed change to MEd in World Languages updates the curriculum and changes the timing of the course offerings to meet the changing needs of the program. The proposed change requires no new resources to deliver the program.

Sincerely yours,

Anastasia R. Snyder, PhD  
Associate Dean for Faculty Affairs  
College of Education and Human Ecology

Dear EHE Curriculum Committee,

I am writing this letter in support of the program changes requested by the faculty of Multilingual Language Education (MLE) with Department of Teaching and Learning. This includes changes to three courses for Foreign, Second, and Multilingual Language Education (FSMLE). It includes addition of 5195. 06, moving 5600 to summer and removing 5505 from the program.

As noted, the overall program changes include less than 25% change in program content and, as the proposal notes, “the proposed changes are intended to respond to the shifting needs of our programs, as well as to better align coursework across our programs.”

Sincerely,

*Binaya Subedi*

Dear Curriculum Committee Members,

The faculty in Multilingual Language Education (MLE) in the Department of Teaching and Learning submit or your review the attached revisions to the **Master of Education in World Language Education**.

The proposed changes are intended to respond to the shifting needs of our programs, as well as to better align coursework across our programs in Foreign, Second, and Multilingual Language Education (FSMLE). The changes include

- Add EDUTL 5195.06 Reflective Seminar in World Language Education. It is being added to the program because World Language Education is the only program that does not include this summer seminar. The elimination of EDUTL 5505 will make space for this change.
- Move EDUTL 5600 from the summer to the autumn. The department of teaching and learning has moved EDUTL 5600 to the Autumn semester to include BSEd students in TESOL, as well as interested MA students. We would not have the enrollment numbers to offer a separate summer course.
- Remove EDUTL 5505 to make room for the needed summer seminar and the shifting of EDUTL 5600 to the autumn. This shift is also supported by student feedback over the past several years, which has indicated that the content in 5505 is addressed throughout the coursework in 5612, 5613, and 5646.

These program changes represent less than 25% change in program content. Net Change in Required Credits is 0. **The proposed changes would go into effect in SU 2024.**

Thank you for your consideration of these program revisions. If you have questions, please do not hesitate to contact us at [troyan.14@osu.edu](mailto:troyan.14@osu.edu).

Sincerely,

Francis J. Troyan, PhD
