[EED - Masters Candidacy Proposal Letter.pdf](#)

Dear Katie,

Attached is an Informational Item for the College of Engineering. Maria has been working with CCGS regarding the fact that the Engineering Education program does not have a Master's level degree, and they will be submitting a change request form for this. Please let me know if there are any questions.

Best,
Lisa

Columbus, OH 43210

Dear Drs. Smith and Miriti:

Please allow this letter to serve as our proposal to establish a masters-candidacy (ENGREDU-MS) within the Department of Engineering Education at The Ohio State University. The establishment of this offering will provide something to students who leave our program early. This will not be an admissible program and will only be an option for PhD students who have passed candidacy.

Thank you for your consideration of this proposal. Please contact us if we may provide additional information.

Sincerely,

Rachel Louis Kajfez, Ph.D.
Associate Chair for Graduate Studies and Research Infrastructure
Department of Engineering Education, The Ohio State University
