Vice Provost for Academic Affairs
203 Bricker Hall
190 North Oval Mall
Columbus, OH 43210

Dear Vice Provost Smith:

This letter is a request for the College of Nursing (CON) to allow online students to enroll in two Advanced Practice Registered Nurse (APRN) specialty tracks: Adult Gerontology Primary Care Nurse Practitioner and Acute Care Pediatric Nurse Practitioner; effective August 2024 admission cycle (matriculation Summer/Autumn 2025). All of the CON specialty tracks were approved by the Ohio Board of Regents to be delivered online in 2015 (see attached letter). We believe that this will assist with increasing enrollment that has declined over the past 2 years.

Please let me know if you require any additional information to review this request.

Sincerely,

Kristine K. Browning, PhD, APRN-CNP, FAANP
Clinical Professor, Associate Dean for Graduate Programs
