Thank you for re-sending. Adobe has been acting up for me today...

I have reviewed these changes and approve their presentation to CAA as an informational item.

Best,
Maria

Hello,

Yes, they were attached. Adobe required me to create a Combined PDF. Below is a screenshot of what I get when I open the document. Adobe requires you to go through each document one by one.

Hi Kynthia,

Were the guides to be attached to this communication?

Thanks,
Maria

Subject: Updates to the Bachelor's/Master's combined degree program in the College of Public Health

Good Morning,

As the Ohio Department of Higher Education implemented the new policy regarding the amount of permitted credit hours allowed to overlap between a Bachelor's and Master's combined degree program, we have updated our curriculum guide, both with the Legacy GE and the new GE, to reflect this policy.

Attached is a letter outlining the changes and the guides. Please let us know what further review is needed.

Thank you.

Kynthia Droesch, MEd

Senior Director, Office of Academic Programs and Student Services (OAPSS)

November 22, 2023

Vice Provost W. Randy Smith
Council on Academic Affairs
Office of Academic Affairs
University Square South
15 E. 15th Avenue
Columbus, OH 43201

Dear Randy,

Please accept this notice of change to the existing and formerly approved BSPH/MPH combined degree programs in the College of Public Health. The change is a result of the Ohio Department of Higher Education decision to limit the number of credit hours that can overlap between a combined Bachelor's and Master's Degree. The College of Public Health revised their combined degree programs with this new decision and attached are curriculum guides reflecting the changes. The College created curriculum guides for students who are following the Legacy GE and curriculum guides for students following the new GE. These guides are attached.

Current students in the combined 3+2 program (n=8) are not impacted by these changes, they are following their current degree plan. The changes will be implemented for students beginning the combined degree program in autumn semester 2024. The College held an information session for prospective students interested in the combined degree program this semester explaining the curriculum and the approved overlap.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael S. Bisesi', written over a light blue horizontal line.

Michael S. Bisesi, PhD CIH
Vice Dean, Academic Affairs and Academic Administration
Professor and Chair, Environmental Health Sciences
College of Public Health

2023-2024 Bachelor of Science in Public Health – Public Health Sociology Specialization/MPH-Health Behavior & Health Promotion with new ODHE rules

Undergraduate courses		Course	Credit Hours
General Education (GE) Requirements Students should refer to GE guide for specific GE requirements		Choose 3 Sociology focused courses: (9-10 credit hours)	
General Education Foundation Courses (22-23 credit hours)		Sociology 3597.02 World Population Problems	3
Writing and Information Literacy (English 1110.XX)		Sociology 3630 Medical Sociology	3
Mathematical and Quantitative Reasoning (Math 1116)	3	Sociology 5450 Sociology of Global Health Illness	3
Literary, Visual and Performing Arts	3	Sociology 5629/4629 Health Disparities Social Context	3-4
Historical and Cultural Studies	3	Choose 1 Criminology focused course: (3 credit hours)	
Natural Science	4-5	Sociology 3410 Criminology	3
Social & Behavioral Sciences (Sociology 1101: Intro Soc)	3	Sociology 4506 Drugs and Society	3
Race, Ethnic and Gender Diversity	3	Sociology 4509 Sociology of Law	3
		Sociology 5525 Global Criminology	3
GE Themes (9-12 credit hours)		Interdisciplinary Focus Area (9 credit hours)	
Theme 1: (Required) Citizenship for a Diverse and Just World (select two courses)	6	Select 9 credits from one focus area or 9 credits from across Interdisciplinary focus areas	9
Theme 2: Theme of your choice (select one course)	3*	Capstone (3-4 credits hours)	
*Students can overlap one approved Public Health Foundation Course to fulfill requirements for the Health & Well-Being Theme (PUBHLTH 2010, PUBHEPI 2410, PUBHHBP 3510, PUBHHMP 3610) or the Lived Environment (PUBHEHS 3310) Theme.		All students must take Public Health 3180 or 3180E (Capstone Preparation course) and then choose one:	1
		PUBHLTH 3191/3191E Internship/Honors Internship or Approved Ed Abroad or 3999 or 4999/4999.01H	2
GE Bookends (2 credit hours)		Electives	
GENED 1201 (Launch Seminar)	1	Select desired courses to fulfill remaining degree hour requirements. Options can include adding an undergraduate minor or certificate, fulfilling pre-health requirements or pursuing a second degree. Consult with an advisor to determine elective courses.	21
GENED 4001 (Reflection Seminar)	1		
First Year Survey Course (1 credit hour)			
PUBHLTH 1100 Survey of Public Health	1	Total hours of overlap between both degrees (9 credit hours)	
Eligibility for the Combined Degree BSPH/MPH requires prior admission to the BSPH major		PUBHLTH 6001 Methods in Quantitative Data Analysis	4
Major Requirements C- or higher required in all major courses		PUBHLTH 6002 History, Values U.S. PH System	2
Required Public Health Foundation Courses (18 credit hours) *One of these foundation courses can overlap with GE Theme*		PUBHHBP 7542 Settings & Special Populations	3
		Graduate Courses unique to graduate degree (36 credit hours)	
PUBHBIO 2210 or 2210(H) Biostatistics for PH Research	3	PUBHLTH 6003 Methods in PH Planning & Evaluation	2
*PUBHEHS 3310 Current Issues in Global Env Health	3	PUBHLTH 6004 Essentials of Population Health	4
*PUBHLTH 2010 Critical Issues in Global Public Health	3	PUBHHBP 6520 Advocacy for Health Justice	3
*PUBHHBP 3510 Role of Behavior in Public Health	3	PUBHHBP 7520 Community Health Assessment	2
*PUBHEPI 2410 Epidemiology in Public Health	3	PUBHHBP 7522 Program Planning & Implementation	3
*PUBHHMP 3610 U.S. & International Health Care	3	PUBHHBP 7528 Found Prof Practice in Health Promo	2
Required Interdisciplinary Specialization Courses (15 credit hours)		PUBHHBP 7532 Program Evaluation in Public Health	3
		PUBHBIO 6211 Applied Biostatistics II	3
		MPH-HBHP Track courses	8
PUBHEPI 4410 Social Epidemiology (SP)	3	PUBHLTH 7189 Applied Practice Experience	2
