From: Rosie Quinzon-Bonello, Assistant Dean for Curriculum and Assessment

Date: September 18, 2024

Re: Informational Item: UG Program Change – Civil and Environmental Engineering Programs

On September 11, 2024, The College Committee for Academic Affairs recognized and supported the following informational item submitted by the Department of Civil, Environmental, and Geodetic Engineering:

- permit the substitution of ENGR 2301 *Exploring Citizenship in Engineering: Integrative Designation* for ENGR 1300 *Introduction to Writing for STEM*, which is a required course in the Civil Engineering and Environmental Engineering majors

ENGR 1300 has an exclusion clause preventing students with credit for English 1109 and 1110.0x from enrolling in the class.

Yours sincerely,

Rosie Quinzon-Bonello
